

I Love Myself Affirmation
Louise Hay

Deep at the center of my being, there is an infinite well of love. I now allow this love to flow to the surface. It fills my heart, my body, my mind, my consciousness, my very being and radiates out from me in all directions and returns to me multiplied.

The more love I use and give, the more I have to give. The supply is endless. The use of love makes me feel good, it is an expression of my inner joy.

I love myself; therefore, I take loving care of my body. I lovingly feed you nourishing foods and beverages, I lovingly groom you and dress you, and you lovingly responds to me with vibrant health and energy.

I love myself; therefore, I provide for myself this comfortable home, one that fills all my needs and is a pleasure to be in. I fill the rooms with the vibration of love so that all who enter, myself included, will feel this love and be nourished by it.

I love myself; therefore I work at a job I truly enjoy doing, one that uses my creative talents and abilities, working with and for people I love and who love me and earning a good income.

I love myself; therefore, I behave and think in a loving way to all people for I know that that which I give out returns to me multiplied. I only attract loving people in my world, for they are a mirror of who I am.

I love myself; therefore I forgive and totally release the past and all past experiences and I am free.

I love myself; therefore I live totally in the now, experiencing each moment as good and knowing that my future is bright, joyous and secure, for I am a beloved child of Devine Mother and Devine Mother lovingly takes care of me now and forever more.

And so it is...I love you.

.....

Blessings!

Robert N
